What's been happening

Australia Day 26 January

Sixty ladies and gentlemen celebrated Australia Day with a fun Barnyard Triples Event. The Aussie flavour of the day kick started with billy tea and damper for morning tea. It was warm again, but everyone lasted the distance. Aussie raffles, pies & pavlova for lunch and prizes for best Aussie dress contributed wonderfully to the spirit of the day. Sincere thanks go to the many volunteers who provided the dampers, Australia Day decorations and a special thanks to Marcia Maloney for her long day preparing and serving food and drinks, especially the pavlovas. The best Aussie dress was judged by Ian Maloney and awarded to Ken Holthusen.

More pictures will be available on our web site a little later on.
