

# LADIES NEWS –September 2017

## What's been happening

Division 3 tried hard and had some close games but this was not their year. Division 2 went through to the final undefeated after 8 games but unfortunately went down to Yeronga in the final. Undefeated all season – a tremendous effort - and a Runner Up Flag was a FIRST for some of us. Many thanks to all players, selectors and managers.

### **Tuesday 29<sup>th</sup> August Community Forum on NBN**

The Club hosted this second event for State Member Milton Dick. The NBN Forum attracted approximately 260 people and \$1300 profit was made from catering. These events highlight the financial benefit to the club and what is achieved by our many volunteers.

### **Thursday 13 September President Jill's Day**

This was a very happy day for Jill, Jindalee bowlers and all the visitors. The delay in starting, caused by two traffic accidents was borne with good spirit which continued throughout the day. Games Directors Leigh and Marilyn would have been the envy of circus performers and artistes worldwide as they juggled teams. A field of 22 teams, a lovely lunch, the presence of sponsors, a speech from Vice President Susan made for a very fine send off for Jill and a profitable day for the Club. Jill was presented with a set of earrings, which many of us have seen her wearing already.

### **Friday 15 September Presentation of Awards**

Club members and family attended the Presentation of Championship Awards. The evening began informally with pizza and good cheer at the bar. It became more formal as Chairman Bet Faux presented prizes to our Championship winners and winners of other events. The opportunity to acknowledge and applaud the achievements of our bowling colleagues was very much appreciated by all those who attended

**Paul Flood, Bet Faux, Susan Connellan & Jill Toohey**

**A Singles winners – Cohen Litfin & Susan Connellan**

### **Thursday 21 September Final Championship Triples**
