

# LADIES NEWS - August 2018

## What's been happening

### Thursday 26 July Consistency Final

Mardi Hardcastle and Susan Connellan played the final and Mardi was the more consistent on the day. Vice President Judy presented the certificates.

### Audrey Agnew - Mighty Matriarch

Thursday 23 August was cause for celebration as we welcomed another Matriarch. Audrey was presented with her Matriarch's Badge in the morning and after lunch cut the rather large birthday cake. Jindalee ladies were joined by visiting Swifts pennant team in singing happy birthday and sharing the cake, baked by chef Judy. **Congratulations Audrey**

## **Pennant**

Pennant is now almost completed with only one match each remaining at the time of writing. Many ladies have been involved as the Selectors do their best to ensure that enough ladies are qualified for playoffs, should a minor miracle occur. Thank you to the selectors to the hard work behind the scenes coordinating everything and everybody. Thank you to the Team Managers and those ladies who came to watch and lend support. Thank you to the players who represent the Club so well, by giving their best each week.

### **Committee Meeting Thursday 23 August 2018**

Items on the Agenda included

## Marigold Day - Change of name & change of date NOTE YOUR DIARIES

There was a Marigold Day event scheduled for Monday 8 October (Marigold being the October flower). This can no longer be held on that day. The event will now be called **Hibiscus Day** (after our Function Room) and will be held on **Monday 12 November**.

## Saturday 13 October Presentation of Prizes

Winners of championships and major events, family and friends of winners and fellow members who wish to celebrate their successes, mark this date. More information will be provided by organisers closer to the day.

I am not sure whether or not I, or the next Newsletter Coordinator, will be doing a September Newsletter. Therefore, I would just like to say that it has been a most enjoyable activity creating a monthly newsletter for the last two years. Hopefully, it has kept ladies in touch with what has been happening. Also, I hope it has helped share, acknowledge and celebrate all the wonderful contributions and achievements of our ladies. Mardi
