Monday 10 September President's Day

A beautiful sunny Spring Day set the tone for a very enjoyable day celebrating the end of Susan's year as President. Greens were almost full with our members and visitors from eleven other Clubs. The table decorations in the Hibiscus Room, each individually made by Bev Formby, with assistance from Judy Mosen, Angela Kearnan and Marilyn Kelly, had a touch of class about them. Ria and Marcia provided an excellent lunch and the complementary bubbly was very much appreciated.

Vice President Judy Mosen, congratulated Susan on a job well done and presented her with a gift from all the ladies. A very special clock. Sponsors for the day were Peter Kolb Chemist and Kingsford Terraces. Peter and Mandy Julien from Kingsford Terraces attended lunch, spoke briefly and presented the prizes.

Winners were Mardi Hardcastle, Gary Burton and Marilyn Roach and runners up were Paul and Angela Kearnan and Barry Britton.

Sincere thanks to all those who helped in the preparation of the day, the running of the day and the BIG tidy up after the day. The fantastic support from so many wonderful people contributing to a very successful day for Susan and the Club, raising \$1464 (excluding bar trade).
