Sunday 15th was the Annual Jindalee Gold Cup Charity Day in aid of Young Care at Sinnamon Park.

Brian Hampson has organised and run this event for five years now and it was another successful day.

Sponsors, Brian Hampson, Bob Henderson, Paul Funnell and APIA Insurance contributed \$800 in prize money and 12 teams were entered due to there being only one green available.

Brian had arranged for a raffle of a donated wheelbarrow full of groceries and several other items which, from ticket sales, raised \$520 for Young Care. We had two residents and a carer attend and Hazel gave a talk on the Sinnamon Park residence and accepted the donation with thanks.

Winners on the day were K. Burdon, S. McCormick and P. Flood with a score of 28 points. They each received a \$40 fruit tray and \$40 cash. Runners up were L. Grundy, G. Grundy and J. Johnson (from APIA) with a score of 24 points. They each received a \$40 meat tray and \$40 cash. Round 1 winners were R. Swan, H. Swan and N. Robinson and Round 2 winners were T. Gillis, S. Gillis and M. Gillis.
